Good morning Dan!

Yes believe it or not, I'm not emailing about Mira for once. Ben forwarded me the email from Hoppe with the .jpg of the survey results for CRU. I think I'm going to be taking care of whatever figure needs you have from us, so I just wanted to reach out to see how you're going to want the data presented. Wanted to have some idea what I would have to do before reaching out to Hoppe for the shapefiles. Let me know when you get a chance.

Thanks!

Mike L
